Capabilities Statement

Core Competencies

Imbue Technology Solutions, Inc. (“ImbuTec”) was formed in 2003, and has grown extensively since its inception. In addition to providing energy-efficient lighting solutions to commercial, industrial, and governmental customers, ImbuTec provides a full-range of general construction services as well. ImbuTec’s approach is to first understand the challenges facing our customers, and to then devise creative, cost-effective solutions to solve them. Our services include, but are not limited to:

<i>General Construction</i>	<i>Mass Notification Systems</i>	<i>Energy-Efficient Lighting</i>
<i>Design/Build Construction</i>	<i>Construction Management</i>	<i>Security Camera Installation</i>
<i>Asphalt Paving/Striping</i>	<i>Sanitary Sewer Rehabilitation</i>	<i>HVAC</i>

Past Performance

ImbuTec has completed a wide range of projects for a diversity of customers.
