

Capabilities Statement

Who We Are

ImbuTec was formed in 2003 and has grown extensively since its inception. ImbuTec provides a full-range of general construction services to commercial, industrial, and governmental customers, and self-performs electrical construction elements. ImbuTec's approach is to first understand our customers' challenges, and to then solve them with creative, cost effective solutions.

Services

- General Construction
- Electrical Construction
- Energy-Efficient Lighting
- Mass Notification Systems
- Security Camera Installation
- Design/Build Construction
- Construction Management

NAICS Codes

- 238210** Electrical Construction
- 236210** Industrial Building Construction
- 236220** Commercial and Institutional Building Construction
